Happy New Year from the Synod Green Team! A good time for resolving to make your church as environmentally sustainable as possible. Sustainability isn't a one-time effort; it's a continuous journey. Small actions can lead to significant impact - we can all do something! If you have not registered as an Eco Church, now is a good time to do it - the Green Team are here, ready and willing, to help you through the process if needed. Email Colleen Fraser modpa@urcthamesnorth.org.uk for more information

Whether you are signed up for Eco Church or not, A Rocha have produced a new Eco tips calendar for 2026 that will keep you and your church inspired throughout the year. It has fresh ideas each month and will help to foster a lasting commitment to a greener lifestyle. It focuses on easy-to-implement tips, so that everyone can contribute, regardless of their lifestyle or schedule. Click [here](#) to see. They've designed these tips to be informative, but short enough to be added to church newsletters, social media posts, or other regular communications that you use.

Let's make 2026 our greenest year yet - Watch out for information on the Synod Eco Day - 13th June 2026 - Amersham Free Church.

Art in Plain Sight

Following the ongoing success of this Thames North Synod project, there is now an opportunity for a few of our local churches to begin to be a new host venue starting in the early summer of this year. This involves a two-year programme of an A2 print of art/photo which changes every month and is displayed in an area of your building with a good level of community and congregational footfall. All the art and the equipment is provided free of charge to you.

A programme that allows time for worship, space to reflect, relate and relax. Share joys and sorrows with others as we learn together in community.

If you are working with young people aged 11-25 in any context, this is the weekend that you deserve!
