News

The funeral for Mike Gould was held at Trinity URC Upminster on the Tuesday of Holy Week. Mike was involved in and with many local churches and trusts through his years of work with the Synod. He also had several different roles through his work with Church House. As a result, there was a large turnout of synod staff and volunteers who had worked with Mike that were counted as part of the over 200 people who attended. Many former ministers of Trinity URC were also in attendance.

The service was led by Revd Brian Buschkill, and Synod Property Development Officer, Revd David Skipp, shared his memories of working alongside Mike for many years. Mike's family is very grateful for the love, prayers and support they have received from Mike's friends across the synod over the last few weeks.

Trinity URC Upminster

Award for URC Member

Islington URC brings us news about one of the oldest members in their congregation, Joan Mugliston, who has been awarded for her lifetime contribution in the Claremont Project of Islington.

Joan is currently 92 years old and was awarded recently for her 40 years (approx) contribution in the Claremont Project as a cook. She is still actively participating as a member in Claremont Project and helping them.

Islington's minister, Revd Margaret Ali, says "We at Islington URC are very proud of her. I went to visit her at her home as she had not been well for nearly two months due to lung infection. "

Margaret took a picture of her when she visited.

Never Tire – Remembering Pope Francis

As churches spoke out solidarity with all of those grieving for the late Pope, they also remarked on Pope Francis's commitment to justice and peace.

On Maundy Thursday this year the Central London Local Area Group held a joint service for the first time. We met at the American International Church for a delicious shared meal prepared by a catering company founded by Syrian refugees. Conversation flowed and, meal over, led into a simple and moving communion service.

We are a small area group of seven congregations and value the friendships and collaborations that continue to develop. On 25 June there will be a Jazz Vespers for the whole Synod with any wishing to sing in the choir rehearsing on 11 and 18 June - details were in the Synod News Roundup of 17 April and in the Event Diary above.

Join us for a workshop

focused on reimagining church spaces for the future. This session explores how buildings can be more than structures—they are vital tools for gathering, mission, and nurturing faith. We'll dive into the broader concept of sustainability, emphasising that net-zero carbon targets are just one part of the equation. Learn how to design spaces that balance environmental responsibility with flexibility, ensuring they serve the needs of your community for generations to come.

Discover the principles

of delight, commodity, and firmness as a guide for creating beautiful, functional, and sustainable buildings. We'll discuss practical strategies for reducing carbon footprints, improving accessibility, and aligning your space with your mission. Whether you're planning a new building or adapting an existing one, this workshop provides actionable insights to create spaces that reflect your values and meet your church's evolving needs.

Sacha McArdle and Cliff Patten.*

Volunteer Opportunity: Join the Congregational Fund Board as a Trustee

At the heart of the Congregational Fund Board lies a strong commitment to supporting ministers and students in times of financial need. This small yet impactful charity, with an annual income of approximately £20,000, offers vital assistance to aged and/or infirm ministers, ministers in training, and students facing sudden and unexpected financial challenges. The Board also provides annual study grants to students undertaking ministry training or higher-degree studies.

The Board is composed of both lay and ordained trustees and includes representatives from the Union of Welsh Independents, the Congregational Federation, the Evangelical Fellowship of Congregational Churches, the Unaffiliated Congregational Churches Charities, and the United Reformed Church.

The Board is currently seeking a trustee to represent the United Reformed Church.

As part of the Board, this role offers an opportunity to actively contribute to meaningful decision-making and to support the vital work of the charity, shaping its efforts to assist ministers and students across the community.

Purpose: This voluntary role involves contributing to decision-making that directly impacts the lives of ministers and students across the UK.

Responsibilities:

- Participate in two annual meetings: the AGM in London (October) and a virtual Zoom meeting (March).
- Collaborate with Trustees throughout the year via joint email discussions to review applications.
- Ensure data protection and confidentiality in all aspects of the work.

Requirements:

- Must be a member of the United Reformed Church.
- Commit to a term of 4 years.
